Key attributes we are seeking include:

- + A tertiary qualification in urban design
- + Skills in Adobe Creative Suite required and working knowledge of SketchUp (CAD and/or GIS skills a bonus)
- + Preferably experience in spatial design, including masterplanning, spatial plans, and lot and subdivision layout
- + Excellent written and visual presentation skills
- + A professional attitude and approach
- + A minimum of 3 years' experience
- + A positive team player

What B&A can offer you:

- + A very competitive salary
- + Career development and opportunities to work in particular fields of urban design interest
- + A supportive, accommodating working environment
- + A wide range of challenging urban design projects
- + Ongoing professional training and mentoring
- + A fun and friendly culture
- + Work from any of our office locations
