Urban & Environmental

Urban Designer Nationwide

Do you enjoy weaving together the threads of design, landscape and planning to create outstanding urban environments?

Are you interested in joining a progressive Urban Design team?

Barker & Associates has an exciting opportunity for you to join our growing and dynamic urban design team.

You will work alongside our existing senior Urban Designers on a diverse and expanding range of projects throughout New Zealand. The role will see you support our nationwide client base with a particular focus on the increased demand for urban design services from our Whangarei, Hamilton, Wellington and Christchurch offices

Applications will be considered as they are received and will be treated in strict confidence. Part-time or full-time positions will be considered. Flexible work options are also available.

If you have any questions about the role please contact:

Key attributes we are seeking include:

- + An undergraduate degree in planning, landscape architecture or architecture
- + A post-graduate degree (or studying towards one) in urban design
- + Skills in Adobe Creative Suite required and working knowledge of SketchUp (CAD and/or GIS skills a bonus)
- + Preferably experience in spatial design, including master planning, spatial plans and lot and subdivision layout
- + Excellent written and presentation skills
- + A professional attitude and approach
- + A minimum of 3 years' experience
- + A positive team player

What B&A can offer you:

- + A very competitive salary
- + Career development and opportunities to work in particular fields of urban design interest
- + A supportive, accommodating working environment
- + A wide range of challenging and exciting projects
- + Ongoing professional training and mentoring
- + A fun and friendly culture
- + Flexible work arrangements based from any of our office locations
