

Urban & Environmental

The Role

Barker & Associates (B&A) have an exciting opportunity for an experienced and well-respected intermediate planner to join the Christchurch team.

About Us

B&A is a leading specialist planning and urban design consultancy firm, with offices throughout New Zealand. We provide professional planning advice to our long-standing private and public client base, utilising our local presence wherever possible. We work collaboratively with engineering, surveying and environmental science specialists to effect great environmental outcomes for our projects.

Applications will be treated in strict confidence and will be considered in the order that they are received.

If you have any questions about the role, or would like to discuss over a coffee, please contact:
