

Urban & Environmental

Barker & Associates Ltd (B&A) is a leading specialist planning and urban design consultancy with an exciting opportunity for an experienced planning professional to join our team. With offices across Aotearoa / New Zealand, we offer a range of exciting and varied projects nationwide.

This is a unique role within our team. We are seeking an experienced planning professional to provide high-quality resource management services to iwi and hapū, private and public clients and to assist the growing team at B&A with policy and consenting projects throughout the motu with a focus on Te Ao Māori resource management practice.

Part-time or full-time options available, with opportunities to work in one of our offices throughout the motu.

Applications will be treated in strict confidence and considered in the order they are received, so early applications are encouraged.

If you have any questions about the role please contact:

 David Badham
021 203 1034

Please email applications to:

Charlie Durber

Te Ao Māori Planner Nationwide

Key attributes we are seeking include:

- + Specific experience and understanding of Te Ao Māori, tikanga and Mātauranga Māori
- + Specific experience in engaging with iwi and hapū in resource management practice
- + Confidence in forums where Te Reo is used
- + A tertiary qualification in planning and/or resource management
- + Holding or eligible for NZPI membership
- + Excellent written and presentation skills
- + A professional attitude and approach
- + A minimum of 4 years' experience
- + The ability to work as part of a positive team environment

What B&A can offer you:

- + A very competitive salary
- + Flexible working options
- + Career development and opportunities to work in particular fields of interest
- + A supportive, accommodating working environment
- + A wide range of challenging and exciting projects
- + Ongoing professional training and mentoring
- + A fun and friendly culture (including group fitness and pilates classes)

Current projects include:

- + Auckland Light Rail project, including involvement in mana whenua engagement with the project team
- + Drury Urban Development (NZ's largest greenfield urban development project)
- + Kāinga Ora and other large scale residential projects
- + Future Development Strategies & Spatial Plans across NZ including leading mana whenua engagement
- + Working with iwi and hapū on papakāinga and residential developments
- + Te Tai Tokerau Māori and Council Strategic Intent and Tāiki E Implementation Plan
